**Excisions:** Excisions Recommended And Made

**Reasons for excisions:**

An excision to remove an entire scene is necessary to remove depictions of sexual activity that degrade, demean and dehumanise the female participant to a high degree. The male performer verbally and sexually abuses the woman, after a scene in which they argue. The woman is degraded, demeaned and dehumanised by the activities, by the way that the scene is filmed and by the way that she is positioned and treated.
